Dear Parents and Carers,

The **Walcha Central School P&C Association** is a not-for-profit organisation which supports the school to provide services and opportunities for our children above and beyond what the NSW Department of Education funds. It is also a great way to be informed in the school's decision making process and a forum to discuss opportunities and obstacles with the teaching staff.

We want to give Walcha Central School families the chance to be more involved in our school community, including those new to the school. **The P&C would be extremely grateful if every family could nominate to do 'just one thing' throughout the year.** Apart from building our community, a successful campaign will make a significant contribution towards our school's priorities and fundraising programs while providing our families choice in how they are able to contribute.

**To become a member of our P&C all you need to do is fill out this form and contribute \$1.00 per member.** This requirement is a regulation of the national P&C Federation which stipulates that all P&C members must be paid financial members. **To keep this cost as low as we can, membership is \$1 per year per member.** All financial members receive the minutes of each meeting, to keep you informed when you are unable to attend meetings.

**You can now pay in advance for up to 10 years and have the option to pay via bank transfer.** Please make sure to put the member's name as reference on the bank transfer and if you are paying for more than one person, please include both names if possible.

Below is a list of 'Things' we would appreciate your assistance with. Please tick just one box (or more if you wish) and place your contact details at the bottom of the page. You can then return your letter to the school office, or you can take a photo and text it to me on 0418 446 615. When the time comes, someone from the P&C will contact you regarding your participation and in the meantime, consider coming along to a meeting.

Thank you in anticipation of your valuable help.

Yours sincerely,
