

22 March 2023

Dear Parents

TRAFFIC MANAGEMENT AFTER SCHOOL PICK UP ZONE, ANGLE STREET

To ensure safety of our students, changes are being made to the procedure when picking up students from the Angle Street entrance after school.

The PICK UP DROP OFF ZONE is a **NO PARKING** area, however drivers are continually using the prohibited area for parking. Teachers on duty have observed safety issues involving both students and drivers.

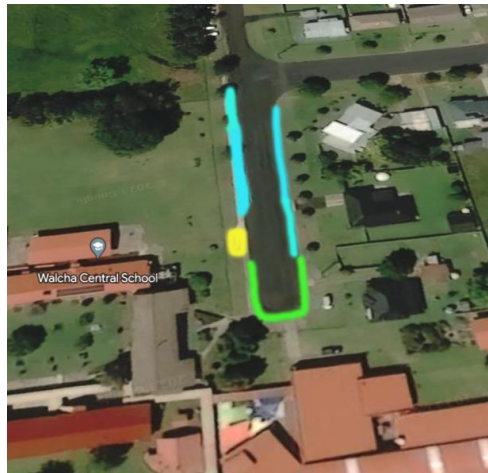

From Monday 27 March 2023 students will be gathering along the School Oval side of the NO PARKING area.

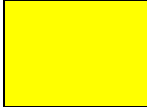

Cars are to only be in the pick up area if your child/children are waiting. If they are not, you are to do a loop of Angle Street or wait elsewhere. This is to allow for continuous flow of traffic.

Your cooperation in this would be appreciated.

Yours sincerely

Amanda Cooper
