

1 March 2024

Dear Parents

EXPRESSION OF INTEREST – SYDNEY EXCURSION 2024

Arrangements are being made for the 2024 Sydney Excursion. The excursion will be from Monday 11 – Friday 15 November 2024.

Students will travel to and from Sydney by train, departing from Walcha Road Station. All transport in Sydney will be by foot or by public transport using school supplied Opal cards.

Based on expenses from the previous Sydney excursion, the cost will be approximately \$560. Complete costs will be communicated to students and parents when we can confirm student numbers, travel arrangements and excursion venues. Payment includes travel, entry to venues and accommodation expenses along with some meals. Students will require additional funds for meals. Any extra spending money is optional and will be the responsibility of the student. All payments are to be finalised before departure unless other arrangements have been made with the principal. Please note this excursion is dependent on numbers to ensure it is cost effective for all who attend. Subsidies of up to 50% may be available upon application.

Venues that may be visited include:

Nicholson Museum
Taronga Zoo

Museum of Human Diseases
Bondi Beach

Jewish Museum

All students attending the excursion will be expected to sign a contract of behaviour that will need to be witnessed by their parents. Students will only be able to attend this excursion if their behaviour at school is satisfactory and they are up to date with all tasks. This excursion is being held to supplement in-class activities and all students attending will be required to complete all worksheets corresponding to their courses of study.

If you require further information relating to the 2024 Sydney excursion, please contact the school on 6777 2777 and speak to Mrs Bayley or Mrs Provost.

Please return the attached expression of interest note along with the \$50 non-refundable deposit to secure our accommodation booking by Friday 8 March 2024.

Yours sincerely

Samantha Bayley
