

SCHOOL PRIDE

In an effort to continue, and increase, our focus on uniform and being proud to belong to our school, Walcha Central School P&C and Walcha Central School staff would like parents to encourage their children to make the choice to wear the Walcha Central School uniform hat, cap and beanie.

A great degree of parent and student consultation took place to introduce a school cap as a popular uniform option for students.

Students in Kindergarten to Year 4 are expected to wear the red Walcha Central School bucket hat.

Students in Years 5 - 12 can choose the bucket hat or cap.

For winter, all students can wear the WCS beanie.

From Monday 28 October 2024 students not wearing the school hat or cap will be restricted to playing under the COLA at break times

The Walcha Central School hats, caps and beanies are very reasonably priced in comparison to other branded merchandise, and are available from our exclusive uniform provider Sew On Embroidery (0428 772 822).
