Dear Parents

SCARECROWS – WALCHA SHOW 2024

The Walcha Show is quickly approaching!

3/4B and 3/4SG would like to enter the Lairiest Scarecrow competition. Rachael Wellings has kindly offered to assist Stage 2 students with making the scarecrows this Friday 23 February 2024.

To help 3/4B and 3/4SG make the brightest scarecrows, if you have any bright old clothes, hats, jewellery, ties, scarves, belts, wigs, masks or any other items that would look good on a scarecrow, please send it to school to be used this Friday.

Unfortunately, these items cannot be returned to students after the show so please only send in items that you are happy to donate.

Thank you for your support.

Yours sincerely
