Dear Parents

WALCHA SHOW - HORTICULTURE ENTRIES - K-6

All students in Years K-6 will be entering the Children's section of the Walcha Show Horticulture display this year. Students will be making a variety of pieces, depending upon the year they are in. They will be making these on Thursday 7 March so they are fresh ready to be taken to the pavilion Thursday afternoon.

We are asking for donations of flowers and foliage to be brought in on Thursday 7 March. They can be sent with students to school. The sections are as follows, please see the list of items your child's year may require. If you have something that will support your child's class, please send it in.
