

4 November 2024

Dear Parents

Year 7 2025 Orientation Days and Parent Experience Day

We are concluding our Year 6 into 7, 2024 transition program with two orientation days for current Year 6 students who will be attending Walcha Central School in Year 7, 2025.

These days will be held on Thursday 21 November and Friday 22 November 2024. Both days commence at 8:50am in F7 (their home room) and conclude at 3:10pm.

Students will engage in workshops and activities to introduce them to working in high school.

Students need to wear sports uniform on both days. They should bring morning tea and lunch or can purchase from the canteen by placing an order on the day or using our online ordering system (Spriggy Schools) – orders must be placed by 8:30am when using the online option. Students are advised to bring water, hat and 50+ sunscreen for outdoor activities.

On Thursday 21 November from 8:50 – 11:10am, parents are invited to join students to participate in fun and engaging activities. Join your child in our amazing industrial kitchen, at sport and other fun activities followed by morning tea.

If there are any questions about these days, please contact the school on 6777 2777.

Yours sincerely

Bonnie Brown
Year 7 Advisor 2025
